### Conclusion of Business Alliance with PHARUMO, Inc

TOHO HOLDINGS CO., LTD. (Headquarters: Tokyo; Representative Director, CEO and CFO: Hiromi Edahiro; hereinafter “TOHO HOLDINGS”) announces that it has agreed to enter into a business alliance with PHARUMO, Inc (Headquarters: Tokyo; President and Representative Director: Kaei Hiroi; hereinafter “PHARUMO”), as described below.

#### 1. Reason for business alliance

TOHO HOLDINGS is a corporate group active in the medical, nursing and healthcare fields, engaged in pharmaceutical wholesaling, dispensing pharmacy, manufacturing and sales of pharmaceuticals, and development and provision of customer support systems under the corporate slogan “Total Commitment to Good Health”. TOHO HOLDINGS also proactively promotes initiatives for regional medical collaboration, nursing and home care.

PHARUMO is developing ICT businesses for pharmacies, including the pharmaceutical information hub system, PHARUMO Cloud<sup>\*1</sup>, with the aim of building a medical infrastructure that supports the proactive approach of dispensing pharmacies across the country to various challenges regional medical care is facing.

In its Medium-term Management Plan 2023-2025 “Create the Next Generation”, TOHO HOLDINGS is determined to push ahead with concrete measures such as “Regional Healthcare Design” and “Evolution of customer support business” by actively promoting alliances and DX.

Through this business alliance, we will link PHARUMO’s Every Series<sup>\*2</sup> with TOHO HOLDINGS’ inventory management system and other customer support systems to strengthen and expand the services of both companies and jointly develop new products that contribute to the regional medical DX. Through these efforts, we aim to build a regional pharmaceutical information infrastructure, which will be one of the building blocks of regional healthcare design, and work together to solve various challenges in the overall healthcare domain.

Note 1. PHARUMO Cloud: A platform that supports seamless link between dispensing pharmacies and cloud services of various companies through cooperation with more than 20 services at this time, such as OEM of the electronic prescription record service and the Every Series, as well as the provision of APIs for various functions.

Note 2. PHARUMO Every Series: A total solution for the inventory operation DX for dispensing pharmacies, consisting of a community medical cooperation system, inventory management system, and dispensing audit system, with the aim of optimizing regional medical resources.
